

Mount Stuart RIB Day from Glasgow

Join us for a fully interactive and exhilarating day starting in Glasgow City Centre. You will depart from the SECC pontoon beside the Crown Plaza Hotel (former Moat House) and then travel down the historic River Clyde bound for the Isle of Bute. You and your group will be picked up in our 10 metre Rigid Inflatable Boats (RIBs) that can travel at up to 55mph for your day's activities. It is a truly unique way to see the area and have great fun in the process.

MOUNT STUART

ISLE OF BUTE

Mount Stuart, Britain's most spectacular Victorian Gothic house, is the Architectural fantasy of the 3rd Marquess of Bute and his architect Sir Robert Rowand Anderson. The stunning, mysterious interiors of Mount Stuart reflect the romantic and scholarly Marquess's passion for art, heraldry, astrology, mythology and religion. The art collection includes works by Old Masters, depictions of British royalty and arguably the finest privately held collection of family portraits in Scotland.
