## Other Notes

If required we can also quote additionally for transportation of any catering equipment, supplies or staff for earlier in the day / following day. Alternatively if you would like us to organise all the catering then please just let us know.

However, if you are bringing your own camping gear, BBQ coals, food & drinks then we can normally fit this in the boat that you are travelling on. If you are bringing drinks then please bring them in Cans / boxes (eg wine) rather than bottles as these sometimes don't travel well in the boats.

Prices are based on you being on time. If you are late then we may need to make a surcharge or change the timings. When we are busy we normally have a variety of activities in one day and we need to be on time for our other customers.

If this does not meet your requirements we are happy to develop a day to suit within a budget.

Our boats are compliant with the standards of the Marine and Coastguard Agency Licensing. All vessels are fully insured with a £10 million pound third party cover. All skippers are fully qualified and experienced. Waterproofs, Life Jackets and safety equipment included.
