

Little Cumbrae, Kyles of Bute & Tarbert Stag Day

Little Cumbrae is a fantastic location for entertaining guests or just having fun with your own party. There is a 700 year old Castle, the main house has a great hall with a warming large fireplace and high arched ceiling. You and your group will be picked up in our 10 metre RIBs (Rigid Inflatable Boats) that can travel at up to 55mph. It is a truly exhilarating way to see the area and a huge amount of ground can be covered quickly & safely. Little Cumbrae has 3 lighthouses, a Castle, the beautiful main house, various burial grounds, bird colonies and a busy Seal colony. It truly is a forgotten treasure on the Lower Firth of Clyde.
